

OPENING DOORS PTA IS PROUD TO PRESENT

MAKING MATH REAL at The College of San Mateo

SPONSORED & HOSTED BY OPENING DOORS PTA | www.openingdoorspta.org

A thriving unit of the California PTA dedicated to supporting the special needs community in the Peninsula Bay Area.

JOIN US FOR THE 2-DAY MAKING MATH REAL: OVERVIEW, K-12 COURSE FOR PARENTS & EDUCATORS

Taught by David Berg, ET: Founder & Director of the Making Math Real Institute and Creator of the Making Math Real Simultaneous Multisensory Structured Methods

Opening Doors PTA is committed to providing quality educational workshops for parents, teachers and community that support all students' learning needs, especially those with learning differences. We have drastically reduced the price of the **Making Math Real: Overview, K-12** workshop to make this exceptional clinical methodology accessible to everyone, as we believe the transformative impact will be felt across diverse learning styles and abilities.
